All for One

PRAY FOR ONE ANOTHER

Sunday 10th February 2019

INTRODUCTION

We've been working through some of Paul's letters looking at how he encourages the church to be with one another. We're taking a slight detour this week, as we are praying 24-7, to another church leader James who encourages the church to pray for one another.

READ

James 5:13-16

DISCUSS

1. Prayer is important, but it can easily be pushed out of our daily routine as other priorities and problems elbow their way in. How do you build prayer into your day?
2. Honestly, when do you find this hard?
3. Do you have any

resources you use that help you focus, or guide you through your prayer time that you can share with the group?

4. How easy do you find it to listen and hear God's voice during prayer?

PRAY

As you meet, people will be praying in the prayer room at 77 the Strand. But why not take time in your

group, in the house that you're in, to pray for each other?

Take it in turns to be the focus of prayer, share any needs you have and then as a group spend five minutes praying for that person, sharing any scripture that comes to mind or any word you feel God has for them.
