Key: D  
Tempo: 180

## I Intro

## V1 Verse

To a world that lay in darkness  
Light and angels give the sign  
God in flesh, the promised Saviour  
Jesus Christ, a child divine  
  
Precious new born in the manger  
In a stable place he lay  
Glory God in highest heavens  
Angels worship night and day

## C Chorus

(Singing) Glory, Hallelujah  
Heaven's own to us is born  
He's the hope of all the ages  
Bringing peace to Earth and all  
Mighty God and perfect Saviour  
Come and bow, O come adore  
For the God who was and is,  
And is to come  
Emmanuel: Christ is born

## V2 Verse

To a field of lowly shepherds  
Shining angels bring the news  
Leaving flocks they go to honour  
Giving glory God is due

Wisemen seeking come to worship  
Off'ring treasures to the King  
While in praise and adoration  
Heaven's roaring anthem rings

## C Chorus

(Singing) Glory, Hallelujah  
Heaven's own to us is born  
He's the hope of all the ages  
Bringing peace to Earth and all  
Mighty God and perfect Saviour  
Come and bow, O come adore  
For the God who was and is,  
And is to come  
Emmanuel: Christ is born

**B** Bridge

From a throne in heavens glory  
To a world in need He came  
To fulfil redemption's story  
And one day on a cross to save  
  
Through His death and resurrection  
Now in birth He makes the way  
Jesus: hope for all creation  
In Bethlehem, is born today  
  
For the lost and for the lonely  
For the sick and for the lame  
Light and life to all in darkness  
And for the broken, Jesus came  
  
Unto all a child is given  
Son of God; love has a name  
Bringing joy to every nation  
And by his endless light He reigns
