## How to Live Right Now

Part Three: 1 Peter 1:13-25

### DESIRED OUTCOMES

To see that life should be a pursuit of holiness – and that that is a positive thing  
To be motivated towards holiness by the life of Jesus.

### SHARE

What standards or examples do people tend to use to determine how they should live?  
What influences have shaped your own approach to life?

### READ

1 Peter 1:13-25

### DISCUSS

What do you think it really means to be 'holy'? Can the idea of 'holiness' have negative connotations? What are they and how can we see it differently?

What positive words would you use to describe holiness?

If Jesus has already covered our sin on the cross, why is our pursuit of 'purity' (which comes out a few times in the passage) so significant?

Why, when thinking of our own purity or holiness, is it important to see that Jesus was first holy Himself?

When tempted to sin, what sort of things help you to choose holiness instead?

Why does the world around us need to see Christians actually 'live out' holiness? What affect can it have when we do?

### TRY OUT

This week, read The Parable of the Sower: Matthew 8: 4-15. How does it relate to the passage we have been studying in 1 Peter? Ask God to show you when you have valued earthly things over spiritual truths.

### REFLECT

Read Psalm 51, a passage or play a song that helps you pray and reflect on God's holiness or the theme of 'living for God' and focus on becoming holy and set apart.
