Physical Accessibility

Wheelchair Access: Step-free entrance with sloping access to building from pavement and car park levels.

Accessible Seating: Spaces can be reserved spaces for wheelchairs in the main worship area.

Lift: A lift is available to the first floor to access library, photocopier, prayer room, meeting room, and staff offices.

Toilet: Fully equipped accessible toilet is available

Parking: Designated accessible parking spaces close to the main entrance.

Hearing Accessibility

Hearing Loop Systems: Installed in the worship area to enhance audio clarity. Please use the T position on hearing device.

Printed Material: Available on request.

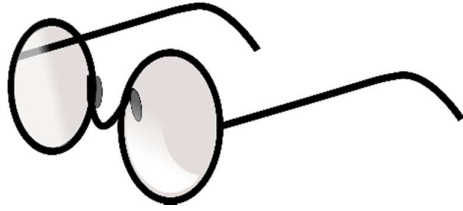

Subtitles: Closed caption or subtitles are used for video presentations whenever possible

Translation: The Microsoft Translator is used to provide real-time written transcript into English for hearing accessibility. It also provides a real time written translation into another language.

Visual Accessibility

Large Print Materials: Available on request.

Audio Descriptions: Audio materials provided for visual aspects of the service.

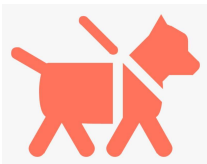

Guided Assistance: Volunteers are available to assist visually impaired attendees.

Neurodiversity & Other Needs

Sensory-Friendly Services: The prayer room and library are dedicated quiet spaces and sensory-friendly for those who need a quiet or low-stimulation environment.

Support Animals: Service animals are welcome throughout the church. However, we have the right to restrict other animals from entering the building so they do not interfere with working service animals.

Personal Assistance: Our welcoming team is available to provide tailored support on request.
